INTRODUCTION

Hi! My Name Is Karynn (kuh-ren)

I'm a content creator, remote online notary, entrepreneur, and mentor. I started my RON journey back in 2020 and have since become a subject matter expert. **I've spoken at conferences** like the NNA Summit, **consulted on platforms** you all know and love and **have a highly regarded RON course on Udemy.**

I believe knowledge is better when you share it, so I help provide others with the tools, resources, and education they need to find their perfect side hustle and grow their business!

This notary class surpassed all expectations with its highly informative and well-organized curriculum. The instructors' profound knowledge, interactive virtual sessions made learning convenient and engaging. The comprehensive training and ongoing support post-class instilled the confidence I needed to become a successful notary public. I highly recommend this class to anyone seeking a professional and enriching notary education.

Awesome video! Very informative and easy to follow. The presenter was very knowledgeable about the subject matter. I loved the fact that resources were provided and easily accessible including the bonus lecture videos. I would definitely recommend this training to anyone interested in starting a RON business.
